

ATSIMA

MEMBERSHIP

ATSIMA is creating new ways of teaching and learning mathematics by connecting to Aboriginal and Torres Strait Islander histories and cultures. By transforming mathematics education for Aboriginal and Torres Strait Islander learners, all students benefit.

BENEFITS

Professional Learning

- professional learning opportunities and support services

Resources

- access to exclusive online resources

Conferences and Events

- discounted rates for conferences, webinar and online learning series

Collaboration Opportunities

- access to an online portal where you can network nationally and around the world

ATSIMA NEEDS YOUR HELP!

Help ATSIMA to support Aboriginal and Torres Strait Islander students. When you become a paid member of ATSIMA, you will be supporting Aboriginal and Torres Strait Islander learners in mathematics, and all Australian students to access culturally responsive mathematics education.
